CALGARY, ALBERTA, August 14, 2018 – PetroShale Inc. ("**PetroShale**" or the "**Company**") (TSXV: PSH, OTCQX: PSHIF) is pleased to announce the closing today of its previously announced bought deal prospectus offering of subscription receipts (the "**Bought Deal Financing**") and its previously announced non-brokered private placement of subscription receipts (the "**Concurrent Private Placement**" and together with the Bought Deal Financing, the "**Financings**").

Pursuant to the Bought Deal Financing, the Company issued 24,865,300 subscription receipts at a price of \$1.85 per subscription receipt for aggregate gross proceeds of \$46 million, which includes the full exercise of the over-allotment option granted to the underwriters. The Bought Deal Financing was conducted by a syndicate of underwriters led by Haywood Securities Inc. and included Canaccord Genuity Corp., National Bank Financial Inc., Scotia Capital Inc. and Peters & Co. Limited. It is anticipated that the subscription receipts issued pursuant to the Bought Deal Financing will be listed and posted for trading on the TSX Venture Exchange ("**TSXV**") under the symbol PSH.R at the open of markets today.

Pursuant to the Concurrent Private Placement, PetroShale issued an aggregate of 6,756,905 subscription receipts on a private placement basis at a price of \$1.85 per subscription receipt for aggregate gross proceeds of \$12.5 million. In connection with the Concurrent Private Placement, an entity controlled by Mr. M. Bruce Chernoff, the Executive Chairman of the Company, acquired \$5 million of subscription receipts and FR XIII PetroShale Holding L.P. ("**First Reserve**"), the holder of the Company's outstanding preferred shares, also acquired \$5 million of subscription receipts.

The Financings were completed in connection with the Company's proposed acquisition of high quality, light oil-weighted assets in the core of our focus area in the North Dakota Bakken that was announced on July 12, 2018 (the "**Acquisition**"). The aggregate gross proceeds from the Financings of \$58.5 million will be held in escrow pending the completion of the Acquisition. If all outstanding conditions to the completion of the Acquisition (other than funding) are met and all necessary approvals for the Financings and the Acquisition have been obtained on or before September 17, 2018 (subject to extension in certain circumstances), the net proceeds from the sale of the Subscription Receipts will be released from escrow to the Company to fund a portion of the purchase price for the Acquisition (with the balance funded by an additional draw of approximately US\$5.9 million under PetroShale's senior credit facility) and each Subscription Receipt will be exchanged for one common voting share ("**Common Share**") of the Company for no additional consideration and without any action on the part of the holder. The Company currently expects to complete the Acquisition on or about August 17, 2018.
